

Andrea Tales

Intro:

If you like to eat fresh tomatoes
If a squash can make you smile
If you don't want French-fried potatoes
Or to eat steak for a while...
Have we got a girl for you...

Chorus:

Andrea, Andrea, Andrea, Andrea
Andrea, Andrea, Andrea, Andrea

Verse 1:

No more pork that's sweet and sour,
Instead you'll eat just cauliflower.
Goodbye meat and hello beans,
Now your car won't need any gasoline.

Chorus:

Andrea, Andrea, Andrea, Andrea
Andrea, Andrea, Has a plan-drea for her MAndrea.

Verse 2:

Two point seven kilocal a day,
I'll be surprised if you don't waste away.
Veggies great and meats so few
Pretty soon you'll crave Korean BBQ

Chorus:

Andrea, Andrea, Andrea, Andrea
Andrea, Andrea, Has a diet plan for her MAndrea

End:

There's never, ever, ever ever, ever, ever, a girl like Andrea.
There's never, ever, ever, ever, ever, ever a girl like Andrea.
It's time for Andreaa-ah-aa-ah-aa-ah-aa-ah-aa-ah!
